Instagram: [@seramann](#)

Hometown: Austin, Texas

Resort Debut: Christian Dior

A curvaceous Texan who can move from lingerie shoots to austere high fashion work, Sera Mann is pouty, pretty, and skilled at the art of the sexy selfie. The Resort collections provided her with an opportunity to show a sophisticated side, donning turquoise jewelry and a bolero at Dior's Wild West show and slinking down the runway in a patterned mindress at Valentino.
