# MODEL BEHAVIOR: SERA MANN

SHOT BY: STEPHEN SPILKER

Meet Freedom Models [Sera Mann](#).

- 1. What is your style?** I would say my style is whatever I'm feeling, something comfortable. It varies from being girly and having colorful pieces or just jeans and a tank top.
- 2. Biggest Virtue?** Being positive and thinking positively. I believe it changes your whole outlook.
- 3. What is your proudest moment?** I can't choose just one moment but I would say what I conquered the metro system in Paris, London, Milan and New York. That to me was kind of a difficult thing and then I was like "Okay, this isn't as hard as it looks."
